

# AGM TECHNICAL SOLUTIONS, LLC.

Proudly Presents...

## CMMS 50

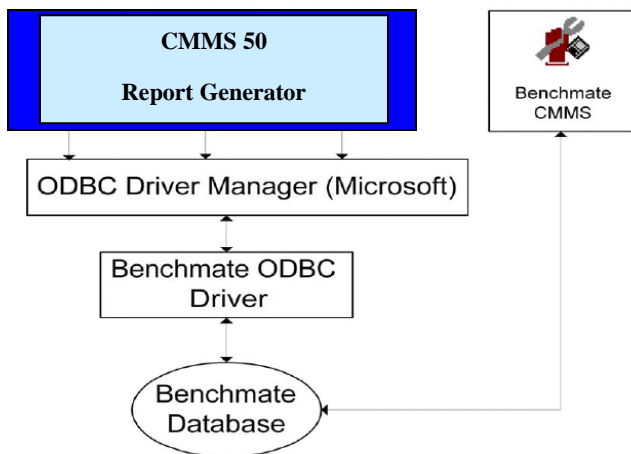

*Building upon the Benchmate system* your organization currently utilizes, **CMMS 50** allows you to view custom reports such as:

- equipment cost
  - equipment count
  - open trouble calls
  - labor hours
- and more.....

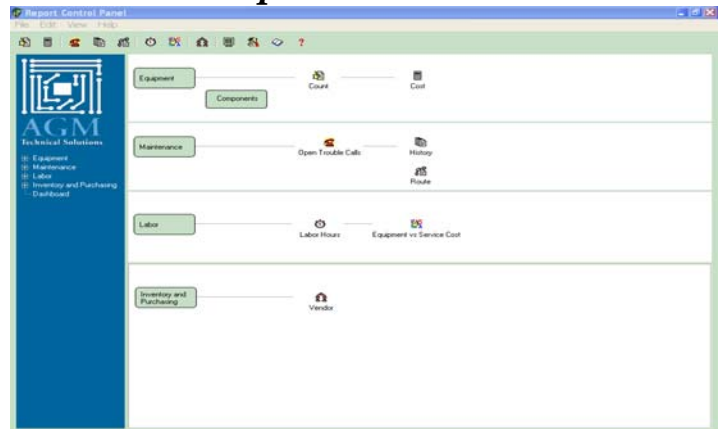

Reports may be viewed individually, or as a composite '**Dashboard**', for an 'at a glance' overview.

### How It Works

### Report Controller

### Dashboard Example

4050 W. Ray Road, Suite 17-123
